

Report on the Talat Almarah Program

March - June 2023

Closing Ceremony: 22 June

Talat Almarah Program

About the Program

A comprehensive program aimed at supporting and empowering female entrepreneurs in the Kingdom by providing a specialized development program offering participants workshops, advisory sessions, and enriching meetings in three tracks: industrial and agricultural investment, and sports.

Goals

- Aim to inject more women-led projects into the national economy to achieve sustainable development.
- Disseminate the culture of entrepreneurship in various regions of the Kingdom.
- Provide women business owners with the necessary expertise and skills for the growth and sustainability of their projects.

Targeted Group

- Companies interested in entrepreneurship
- Female entrepreneurs in the Kingdom
 - Number of registrants: 2089
 - Beneficiaries from training programs: 200
 - Number of projects nominated for awards: 20
 - Number of winning projects: 6

Tracks

- Sports Track
- Agricultural Track
